StarTech.com  
Hard-to-find made easy

Split the audio from your iPod / MP3 player to two sets of headphones. The MUY1MFFADPW White Slim Headphone Splitter Cable splits a single 3.5mm audio output into two separate outputs, enabling you to connect two sets of headphones or speakers to your MP3 player, Tablet PC or laptop computer. The Headphone Y-Cable allows you to share your favorite songs and videos with a friend while you are travelling or on the move and it features a slim connector molding that fits easily into a 3.5mm headphone jack, even if your mobile device is in a protective case. This splitter adapter cable is colored to suit white mobile devices, and can be used with any portable device that has a 3.5mm mini jack, such as your iPhone, iPod and iPad. The cable features a compact, lightweight design that takes up very little space in your laptop bag or carrying case. The MUY1MFFADPW White Headphone Splitter Cable is backed by StarTech.com's Lifetime warranty for guaranteed reliability. The StarTech.com Advantage- Plug two sets of headphones and/or speakers into a single 3.5mm audio port- Complements your white mobile devices- Easy to store in a laptop bag or carrying case
