

## SATA to LP4 with 2x SATA Power Splitter Cable

StarTech ID: PYOLP42SATA

This SATA power splitter cable also features an extra LP4 power connector.

The SATA power splitter connects to a single SATA power supply connection and breaks out into two SATA female power connectors and one LP4 connector - adding one LP4 and one SATA power connection, without having to upgrade the PSU or limit the number of installed drives based on power connection availability.

### Applications

- Inexpensive way to add power connectors to a power supply
