The SV431DDVDUA 4-port DVI VGA dual monitor KVM switch lets you control 4 Dual Display computers using a single USB mouse and keyboard peripheral set.

This dual view KVM switch provides 1 VGA and 1 DVI-I port per computer connection for high-resolution video, as well as audio switching capability between connected computers.

The DVI/VGA KVM switch features an integrated 2-port USB hub that allows USB 2.0 peripherals to be shared between connected computers, and offers a compact design with a rugged metal chassis for durable performance.

NOTE: While both DVI-I (analog) and DVI-D (digital) are supported by the KVM, source PCs must output the same signal for proper switching. It is recommended wherever possible to use DVI-D cables across all PC to KVM and KVM to Console connections. If necessary, please contact technical support for assistance identifying your source.

Backed by a StarTech.com 3-year warranty and free lifetime technical support.

The StarTech.com Advantage
- High-resolution DVI and VGA ports support almost any dual display scenario; even with one DVI + VGA PC, and one dual DVI PC, an adapter can be used with this KVM to support your configuration
- Integrated USB 2.0 hub and Mic/Audio ports allow the user to have full multimedia control of two computers and share USB peripherals eliminating the expense of duplicate devices
- Absolutely no software or drivers required providing a completely OS independent KVM solution

Main specifications:

Ports & interfaces
Number of computers controlled:	4
Keyboard port type:	USB
Mouse port type:	USB
Video port type:	VGA/DVI-I
Audio connections:	Y
Headphone outputs:	1
Microphone in:	1
DC-in jack:	Y
Console ports:	3.5mm headphone,3.5mm mic,DVI-I,USB A,VGA (D-Sub)
Console USB ports quantity:	4
USB 2.0 hub ports quantity:	2
USB connector type:	USB Type-A

Design

Colour of product:	Black
LED indicators:	Y
Material:	Steel

Performance
Number of users:	1 user(s)
Daisy chain:	N

Power
AC input voltage:	110-240 V
Input current:	0.8 A
Output voltage:	12 V
Output current:	1.5 A
External power adapter:	Y
Plug type:	Type M
Compatible power plug types:	EU,UK,US

Operational conditions
Operating temperature (T-T):	0 - 40 °C
Storage temperature (T-T):	-20 - 60 °C
Operating relative humidity (H-H):	0 - 80 %

Certificates
Certification:	ROHS, CE, FCC

Weight & dimensions
Width:	220 mm
Depth:	163 mm
Height:	60 mm
Weight:	1236 g
Package width:	88 mm
Package depth:	300 mm
Package height:	247 mm
Package weight:	1800 g

Packaging content
Manual:	Y
AC adapter included:	Y
Rubber feet:	Y
