

AMM02US | Targus 2 in 1 Stylus for iPad®

The Targus 2 in 1 Stylus for iPad makes it easy to take notes, draw or simply turn a page. Featuring a durable rubber tip that won't scratch the iPad's surface, the 2 in 1 Stylus allows the user to type accurately and comfortably. The tip of the stylus engages directly with your electronic, touch-screen device, requires no power or software to operate and instantly works right out of the box. If you need to jot down notes during a meeting the other end of the stylus conveniently functions as a pen. The 2 in 1 Stylus uses standard Parker Ballpoint refills.
