

PA410S-1 | Targus DEFCON® SCL (Serialized Cable Lock)

Also available in bulk pack (PA410S-25) The Targus DEFCON® SCL (Serialized Cable Lock) is a serialized lock with a pre-set combination. It is sold in multiples of 25 under model number PA410S. This Targus laptop security product finally provides a computer security solution for complete asset protection. The Targus DEFCON Serialized Cable Lock (SCL) is 6.5 feet of cut-resistant, galvanized steel cable that loops around any secure object and easily attaches to your laptop computer's lock slot. Our DEFCON SCL features a pre-set combination lock. The DEFCON SCL is the first laptop computer security product to offer the benefits and convenience of a keyless security solution.

This is a Targus global product

Easily attaches to a laptop equipped with a lock slot

Includes security base plate anchor for additional locking solutions

Similar to the PA410U, but serialized (has serial numbers on it) with a pre-set 4 digit combination and is sold in single units by custom order

6.5 feet of galvanized, vinyl-coated steel cable
