

TBB012CA | Targus Checkpoint-Friendly 15.8" Air Traveler Laptop Backpack

The Targus Checkpoint-Friendly 15.8" Air Traveler backpack is designed to help you clear airport security without removing your laptop from the bag. This case is specially designed to split down the middle, thereby isolating the laptop on the one side to allow for clear x-ray scanning. Designed to fit 15.8" widescreen laptops and weighing just 2.46 pounds, this backpack features a dedicated file section, zip-down workstation with business card holder, pen loops, and multiple accessory compartments to keep items organized. For added comfort, the case includes padded ergonomic shoulder straps. The Targus Checkpoint-Friendly 15.8" Air Traveler is designed to expedite your airport security experience and withstand the wear and tear of everyday business travel.

Split design separates laptop from accessories, to allow clear xray scanning

Designed to fit 15.8 widescreen laptops

Includes zipdown workstation with business card holder, two pen loops, multiple accessory compartments and a dedicated file section to organize documents
