Highlights

- Professional-Grade Impact Punch Down Installation Tool with 110 & 66 Blades

Applications

- Cat5e/Cat6 110-style patch panels and jacks
- 66M-type telephone blocks

Package Includes

- Impact Punch Down Tool
- 110 Punch Down Blade
- 66 Punch Down Blade

Description

Tripp Lite's professional grade, high-volume Punch Down Cable Installation Tool, with adjustable impact, is the perfect multi-purpose tool for punching down Cat5/Cat6 cable to 110 jacks and patch panels, or, telephone wire to 66M blocks. Each blade (110 or 66) contains a cutting and non-cutting side. The blade not being used is stored in the handle compartment. Adjustable High/Low actuation setting accommodates termination requirements or installer preference.

Features

- Professional, Installer Grade 110/66 Impact Punch Down Tool
- Both blades (110 & 66) have cutting and non-cutting sides
- Handle compartment for storing blade not in use
- Adjustable impact preference
- Rugged, Polyacetal Resin frame for long-life use
