Acer® UT220HQL bmjz Touchscreen LCD Display

acer

Model	Acer UT220HQL 21.5" Touch Screen Display
MSRP	\$249.99

Selling Points

1 Ergonomic Design, Interactive Touch

The sleek edge-to-edge screen creates a unique floating design which can elegantly be showcased in any room or easily mounted on the wall.

This intuitive and fun LCD with **10-point touch screen** lets you take advantage of touch features and navigate web pages, flick through photos, paint and play games - all with your finger tips!

Flexible tilt from 0-80 degrees lets you interact with this monitor from all different angles

2 Impressive HD Performance

This large **21.5" edge-to-edge widescreen display** (1920 x 1080 resolution) brings the best viewing experience of Full High-Definition content.

Impressive **100 Million:1 contrast ratio** radiates the brightest whites and deepest blacks for exceptional viewing definition to all your content.

Rapid **8ms response time** reduces deviations in transition time to deliver high-quality moving images.

3 Full Digital Connectivity

HDMI® uses best-quality uncompressed video to deliver exceptional high-definition viewing experiences.

With **MHL**, connect a mobile device like a smartphone or media player to this monitor and play content from the mobile device without having to do any setup procedures.

This monitor also features white-LEDs, which are mercury-free and safer for the environment.

Acer UT220HQL 21.5" Touch Screen Display

UT220HQL bmjz

Explore more on the Acer UT-Series LCD featuring 10-point multi-touch technology on sleek edge-to-edge glass. This intuitive and fun LCD lets you take advantage of touch features and navigate web pages, flick through photos, paint and play games - all with your finger tips! Full HD resolution, incredible 100 Million :1 contrast ratio and rapid 8ms response time highlight the advanced technology of this display. Connect to your devices via HDMI so you can instantly enjoy marvelous 1080p entertainment at home. On top of that this incredible design with edge-to-edge screen creates a floating design and looks amazing in any room or even hanging on the wall.
