### Selling Points

#### 1 27" Display with WQHD resolution

The **K-Series 27" LCD** is designed for High-Definition with a stunning 2560 x 1440 resolution.

Enjoy widely available **16:9 HD** digital content without image distortion on the expansive 27" widescreen LCD.

With **DVI, HDMI & Display Port inputs** so you can easily power and extend the enjoyment from your smartphone or tablet on a Full HD display.

#### 2 Advanced Technology for Amazing Visuals

Unprecedented 100,000,000:1 contrast ratio radiates the brightest whites and deepest blacks for exceptional viewing definition to all your content. Advanced technology enables a dramatic improvement of gradation and detail, especially in very dim or very bright scenes, for stunning picture quality.

Quick 1ms response time reduces deviations in transition time to deliver high-quality moving images for more enjoyable movies. Acer eColor Management lets users optimize image performance under different viewing scenarios at the touch of a button.

#### 3 Eco-Friendly Technology

As part of our commitment to sustainable operations and corporate social responsibility, Acer uses methods to carry out product design and material management distinctly meant to reduce environmental impact.

This Energy Star® compliant display is also durable and constructed of mercury-free materials, translating into less environmental impact.
