

Proven performance. At a price you can live with.

How'd you like to build a powerful, customizable computer, without emptying your wallet in the process? It's easy. Just make sure you start with the astonishingly affordable SLK1650 and SLK1650B. It boasts plenty of features usually reserved for more expensive cases. Like an ultra-quiet 350 Watt SmartPower power supply. Eight drive bays. Plus a chassis air guide and a low-speed 120mm fan. The result? A powerful, expandable, and genuinely *personal* computer. So pick up yours today!

SLK1650B (Black) UPC # : 761345-91654-1
 SLK1650 (Beige) UPC # : 761345-91652-3
