

Slim. Sleek. Stylish. And sized to fit your life.

The ideal choice for media center systems. Our elegant mini-desktop case has been upgraded to support the latest Intel and AMD CPUs, with improved cooling to protect your components. Minuet II's slender footprint and mounting bracket allow it to fit vertically or horizontally into the tightest spaces. Designed to accommodate the wide range of full-performance micro ATX components available today, Minuet II delivers the perfect blend of performance and convenience.
