

PlusView II

PERFORMANCE TX

The gamer show case

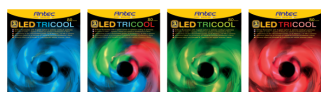

The high-performance case for those who want to make a statement with their system and show it off. PlusView II packs all the features you need to create an uncompromisingly powerful system. Ten drive bays and room for up to four fans – including one 120 mm 3-speed TriCool Blue LED case fan already installed. Crystal clear scratch resistant windowed side panel lets you create a dazzling display of the latest technology. Select your power supply, your cooling and lighting, and build the computer you really want.

UPC 13# 0-761345-90511-4 US

Try Antec TriCool LED fans in a variety of colors to light up your case.

Crystal clear windowed side panel
