

Upgrade to Windows® 7 with eMachines! Your PC, simplified.

Enjoy the Windows® 7 operating system on your eMachines computer purchased between June 26, 2009 and January 31, 2010 with the included Upgrade to Windows® 7 Option program.

What is Windows® 7?

Windows® 7 makes the things you do every day faster and easier. With fewer clicks, faster searching, and simpler ways to connect, there's less between you and what you want to do.

- Simple to use: Get around and get things done faster with simpler, streamlined, navigation.
- Easy to connect: Easily share printers and documents with multiple PCs on your home network and stay connected more easily when you're away from home.
- Easy to communicate and share: Make managing email, chatting with IM, and editing and sharing digital photos easier with Windows Live™ Mail, Windows Live™ Messenger, and Windows Live™ Photo Gallery.

Am I eligible for the Windows® 7 upgrade?
