LG SOUND BAR

LG's sleek sound bars complete the audio entertainment experience with high-quality sound. Stream music from your *Bluetooth*®-compatible smartphone or tablet to experience rich, room-filling sound through the sound bar.

Google Cast

LG Music Flow sound bars have Google Cast™ built-in so you can cast your favorite music apps like Pandora and Google Play Music from your personal device to your speakers. You can cast from your Android™ phone or tablet, iPhone®, iPad®, Mac® or Windows® laptop or Chromebook™.

HOME CINEMA MODE

With just a simple touch of a button, add an LG Music Flow sound bar to your network and synchronize it with your LG Music Flow speakers to enjoy a true multichannel home theater experience. Customize your system by mixing and matching Music Flow speakers.

LG MUSIC flow

Connect your LG Music Flow sound bar to your network via Wi-Fi® to access music from compatible mobile devices, NAS drives, PCs, and Internet streaming services. Once connected, all of your content will be at your fingertips and easy to control through the Music Flow Player app.
